Mike's Mix®

Fuel Your Adventure

It all started with a hike...

Trekking through California's Redwood forests, Mike Morris felt an intrinsic and vast connection with the natural world, but he also felt something else: hunger.

Merging his love of the outdoors and quality snacks he got to work in his garage creating Mike's Mix which he envisioned to be the go-to snack out on the trail.

Whether you're venturing out to vast deserts or dense forests, wherever your wanderlust takes you we want to be there to help fuel your adventure every step of the way.
